St Davids Day - 3rd March

In the first race the Topper of Holly Turner led convincingly until the final few minutes of the race, being overtaken by the GPI4s of Ken Westwood and Rob Fowler, who were also overhauled by the Lasers of Richard Coates and Peter Townend, snatching first and second in the final seconds of the race.

Race two was held in even lighter winds which was very frustrating for the faster trapeze boats. Again the Holly held off the chasing pack valiantly, but it was to be the race of Walter van Straaten in his Solo who held out to take victory. Behind him, the Moth of Mark Bridgewater was second.

Race three again saw very light winds, where keeping clear air proved the key to success. The RS300 of Matthew Thursfield found enough speed to get close to the leaders. However, it was the very close duel between Walter and Richard that was most noteworthy, with the Laser just doing enough to overhaul the Solo by a couple of seconds, thus seizing victory for the day.

Solo Open 2nd June

A glorious June morning, with SSE winds of force 3 saw 22 Solo's gathered for the Chelmarsh Solo Open Meeting. The first race began with a general recall; the second start was successful, and the fleet reached the first mark rapidly; the first three around it were: H.Ashworth 4400; J.Carter 3994; and J.Shinton, 4200. After rounding the second mark, (H. Ashworth still in the lead, followed by S.Hault, 4212, and J.Shinton), the fleet divided into two halves, those at the front, and the rest. There was some beautiful planing during the race, particularly by those at the front of the fleet. The winners of the first race were: D.Liddington 4405; B.Hault 4387; and T.Davis 4390.

Solo Open 2nd June (cont)

The second race began without mishap, and the leaders at the first mark were: D.Liddington 4405; J Shinton 4200; and T.Davis 4390. During most stages of the race the fleet was much more evenly spread than it had been in the first race, apart from D Liddington (4405), whose lead was impressive. There was some elegant quibing - beautifully smooth and seemingly effortless - by the fleet leaders. The second race was won by: D.Liddington 4405; T.Davis 4390; and J.Shinton 4200.

After lunch, the third race saw a good start by the whole fleet, the first mark being reached by H.Ashworth 4400; J.Carter 3994; and B. Ridlington 3618 in first, second and third place respectively. H. Ashworth took a strong lead for part of the race, but eventually came in in fourth place, preceded by: D.Liddington 4405; J.Carter 3394; and R.Butterfield 4264.

Solo Open 2nd June (cont)

By the time the fourth and final race began, the wind was a little lighter. The first boats to reach the windward mark were: H.Ashworth 4400; B.Hoult 4387; and V.Young 4283. B.Hoult and V.Young, plus the fourth placed boat, T.Hanan 4207, all rounded the mark in very quick succession. By the time the second mark was reached, the two boats in the lead were both being sailed by women - B.Hoult and V.Young. They maintained the lead, finishing in first and second place (4283 V.Young, 4337 B.Hoult) , followed in third place by H.Ashworth, 4400. ..

K.Stubbs, 3.6.02
