# Race Report 31st March

Lovely weather for the Easter weekend. Actually Friday and Saturday were bright with loads of sunshine but Easter Sunday was mostly overcast with more wind.

Peter Townend was OOD assisted by Sam Trinder with Nigel Bedford providing the rescue support and Kate Ward the galley assisted by Peter Lawrence.

The wind was generally a force 3 and it was warm with the wind from the SSW. Beats were set from 1 to 3 and from 8 to 4.

Great to see almost a completely new set of competitors for the pursuit. Actually there were a lot of people away this weekend. Super to see new members Frank Warner in his white Fireball and Russell Eden in the Laser 2000 racing in all three races. This was the inaugural race day for the menagerie fleet of RS400, RS300 and Laser 2000.

Jonathan and Garys Fireball 13993 returned to racing after refitting to provide some competition for the newcomer. Did you spot the Albacore?

# Race Report 17th March

Windy is how we would describe it. Plenty of action for the rescue boat and many thanks Louise and Hilary for being there from many of us who stubbled over.

The wind measurement on the club house indicated steady force 4 with frequent gusts to 5 and higher. Great Fireballing weather! Mike and Karen Whitehouse made their mark on the pursuit and it was very good to see them back from their holidaying.

Grahame Calladine got his new Solo to the end of the pontoon before thinking "be sensible". Jonathan Carter was delighted to be able to test sail this lovely new Winder Solo for the last race. You cannot miss this boat with its red hull and white topsides.

Neil Trinder was very determine and very pleased to be able to pull away from his fellow sailors in the second fleet race charging away to a most emphatic first place.

Great courses thanks to Derek and Richard and for most a great day sailing! Loads of thanks to Jan and David preparing the galley on the 10th and providing it for this days sailing.

# Race Report 10th March

If you wondered what happened to the 10th of March well it was blown away. Quite a few keen sailors turned up hopeful but the gust to force 9 were a signal not to venture out.
